Dear Sir,

I am the owner of a property which adjoins an unadopted road. In 1982, the previous owner of my property, I am now informed, applied for a Possessory Title over this roadway, after making a Statutory Declaration, the contents of which I believe to be partially fabricated.

Can you please advise me of the procedure whereby this can be overturned. The person concerned, Mr. I.J.C. Friend, used to own all five properties which are serviced by this road. He has now sold them all.

Yours faithfully,

P. R. Miles.
