

PETITION East Northdown Farm.

We the undersigned wish to object to the continuance of the above site for use as mixed agricultural/B1 use.

Since 1997, when the permission was granted, the use of the site has:- prejudicially affected the enjoyment of residential properties, prejudicially affected the visual amenities of the area, and the conservation area.

Despite many written representations, the Planning Authority have been unable to sufficiently control the development in accordance with the conditions imposed under the grant of permission TH/97/0857.

We therefore call upon the Planning Authority to request the Secretary of State to revoke the permission.
